STEEL

Manufacturer of **LAMP** brand products

Sugatsune's stainless steel hardware seamlessly blends aesthetics with durability, making it an ideal choice for elevating both residential and commercial designs. Crafted from high-quality materials like SUS304 and SUS316 stainless steel, these components resist corrosion and wear, ensuring longevity even in demanding environments. From sleek cabinet hinges and precision-engineered latches to innovative torque hinges, Sugatsune offers over 20,000 products that combine form and function. Our Motion Design Tech line exemplifies this synergy, delivering smooth, controlled movement that enhances user experience. Whether you're designing a modern kitchen, outfitting a yacht, or building industrial equipment, Sugatsune's hardware provides the reliability and elegance needed to bring your vision to life.
